Sub: Technical Approval of VENDX Integration

Dear Sir,

We are pleased to mention that we have successfully completed integration of following points as per mutually agreed scope between MavenVista and Ruchi IT team.

1. Material Master data from SAP to VENDX
2. Vendor Master data from SAP to VENDX
3. PR data from SAP to VENDX
4. Authorized Quote data from VENDX to SAP
5. Order status data from SAP to VENDX
6. DMS from VENDX to SAP DMS server

The above integration is extensively tested by our IT team and has been found to be working as desired. We have also received desired documentation & knowledge transfer for the code developed by MavenVista team for generation of Order from the authorized quote data of VENDX in SAP & for DMS integration to hence forth take up maintenance / change of this code to meet our future business needs.

We have found our dealings with MavenVista IT team very satisfactory and we appreciate their technical competence & thorough professionalism.

Our best wishes to MavenVista!
