Dear Maven Team,

We are very happy to mention that MavenVista has successfully integrated its comprehensive e-sourcing solution, VENDX with SAP version ECC 6.0 @ Intas Pharmaceuticals Ltd on following touch points:

1. Material Master (Auto Update in VENDX)
2. Material Specifications (Auto Update in VENDX)
3. Purchase Requisitions (Auto Update in VENDX)
4. Vendor Master (Auto Update in VENDX)
5. Authorized Quote (Auto creation of Order in SAP)
6. Order (Auto update in VENDX post Order creation in SAP)

The business & technology team of MavenVista demonstrated a very high level of commitment in understanding our requirements and system to handle end to end integration of VENDX with SAP on above mentioned touch points to deliver our users seamless experience of transacting with our suppliers for different categories effortlessly.

With successful execution of VENDX implementation across multiple categories, we have been able to achieve a very high level of procedural compliance and a high degree of convenience to design of superior negotiation strategies.

VENDX, is a fully India origin product which is an added reason to use and recommend the same. Coupled with committed services of highly competent & dedicated resources, MavenVista ensured delightful experience to us.

We extend our wishes to the team and would like to recommend VENDX to all organizations wanting to achieve ideal optimization of their sourcing process.
