

## Letter of Gratitude

We, Modenik Lifestyle Pvt. Ltd is one of the leading essential wear manufacturers of India. Recently we have joined hands with MavenVista for conducting auction for our various requirement by their expert auction service team.

We proudly go on the record & say it has been truly one of the best professional relationship we have had. We are being rewarded every time from help of MavenVista team which is highly evident in our results with average savings of **11.73%**, now that's an incredible achievement.

MavenVista possess the knowledge and experience to design apt auction strategies and also proficiency in training and hand holding of our suppliers to ensure best outcome of the auctions. **Vendx** Auction tool is extremely user friendly and easy to understand from Buyers side as well as from Vendors side too.

Based on our experience we recommend the auctioning services offered by MavenVista to any organization wanting to explore savings opportunities.
