

## Letter of Appreciation

Dear Maven Vista team,

**"Using Vendx has helped us save both time and cost. We are using your platform for entire P2P digitization for categories that include Consumable, Engg & Spare, Packaging and Capital. The platform is very user friendly which has attained 91% adoption from our suppliers.**

Your customer support team is highly supportive and have helped us to ensure all our transactions are seamlessly executed through their platform.

**We highly recommend others to use Vendx"**
