

LETTER OF APPRECIATION

: To whom so every it may concern :

We are delighted to reflect that our organization has been using VENDX e-sourcing platform since October'21.

Based on our experience of VENDX tool we would like to reflect that it is a very well designed and crafted tool for digitization of sourcing processes. The usage of VENDX has led to complete transparency in our sourcing process.

This seamless experience has resulted into huge savings for our organization thru superior price discovery.

We appreciate the professionalism and dedication of MavenVista Team and would highly recommend their Auction Services to anyone looking to generate cost savings through better price discovery.
