Letter of Appreciation

Dear MavenVista team,

It is with great pleasure we write to you expressing our appreciation for the services rendered by the Maven Team.

We have been using VENDX Auction Services offered by MavenVista since June, 2017. We found their services are admirable in terms of their professionalism to strategize auctions, support to Vendors during auction events and primarily for the user friendliness of the Platform.

The one of its kind VENDX R2A (Auction+) module facilitates automation of pre & post auction processes ensuring effortless conversion of auction results into Order in SAP.

The Auction services we receive are beyond our expectations and we are delighted with VENDX R2A (Auction+) module and will definitely recommend their services to anyone looking to expedite their procurement process.

Wish you all very best in your future endeavours!
