LETTER OF APPRECIATION

: To whom so every it may concern:

We are writing to express our appreciation for the outstanding experience our organization has had with VENDX's PR to DA module since we started using it in October 2022.

The platform has been incredibly easy to implement and adopt, and even our suppliers have found it user-friendly. Their attention to details made the entire process effortless & Productive. The MavenVista team was professional and demonstrated a thorough understanding of our needs during the implementation process.

VENDX platform is designed to help businesses maximize Savings by providing a transparent & Efficient Transaction process. The platform is easy to use and provides real-time Quote Notifications to vendors with automatic comparison of vendor's quotations for users.

Since implementing VENDX, we have seen a significant improvement in transparency in our sourcing process, leading to superior price discovery & Tracked Negotiation. We are grateful for the seamless experience that VENDX has provided.

We would like to take this opportunity to express our appreciation for the dedication and professionalism of the MavenVista team. They have been an integral part of our successful adoption of VENDX and have exceeded our expectations with their excellent support.

Thank you for providing an exceptional platform and service. We look forward to a continued partnership with VENDX.
