To,

Mavenvista Team,

We are writing to express our appreciation for the experience of our organization has with **VENDX's PR to DA & Auctions Module GO LIVE in July 2023.**

**The project has been completed in accordance to the scope of work.** The platform has been incredibly easy to implement and adopt, and even our suppliers have found it user-friendly. Their attention to details made the entire process effortless & Productive. The MavenVista team was professional and provided end to end support and trainings to the users as an when required during the implementation process.

VENDX platform is designed to help businesses by providing a efficient auction & Transaction process, the platform is easy to use & Provide real-time access to the data.

We would like to take this opportunity to express our appreciation for the dedication and professionalism of the MavenVista team.
