

## Letter of Appreciation

We are extremely satisfied with the "VENDX - Auction Services" provided by Maven Vista Technologies Pvt Ltd. Our experience with their services has been exceptional and has resulted in good savings for the FY 22-23.

We were impressed with their meticulous approach and professionalism, which made the entire process effortless and productive. Their attention to detail made the entire process seamless and efficient. We would like to thank their expert Auction Team for their excellent support and professional approach.

VENDX platform is designed to help businesses maximize their return on investment by providing a transparent and efficient auction process. The platform is easy to use and provides real-time bidding information to help businesses make informed decisions.

We look forward to maintain our strong relationships with them and wish them a great luck in their future endeavours.

Yours faithfully
