

Letter Of Appreciation

We, at DCM Shriram Ltd (Sugar & Distillery), are pleased to extend our appreciation to the MavenVista Team for their exceptional services in designing auction strategies and flawlessly executing auction events.

Their professionalism and dedication have been truly commendable, and we highly recommend their auction services to any organization looking to achieve cost savings through better price discovery.

The VENDX Signal Auction Tool has been instrumental in optimizing auction outcomes, resulting in substantial savings. Additionally, the VENDX platform is thoughtfully designed to enhance transparency and efficiency, empowering businesses to maximize their return on investment.

We sincerely appreciate MavenVista's commitment to excellence and look forward to continued collaboration.
